

Supply List

Valerie Forte Vitali

Painting, 2015 (this is a very basic list)

Paint:

- 1 lg tube (150ML) Titanium/zinc white mix (Gamblin, Permelba) or, plain titanium white

Tubes of oil paint (37ml):

- Perylene red (Gamblin brand or comparable warm red)
- Ultramarine blue (any brand)
- Cadmium yellow (or other bright yellow)
- Dioxazine purple (or any purple)
- Permanent green (any bright green)
- Transparent orange (Gamblin)

2 Brushes – size six or eight – oil painting brushes in shapes of flat or filbert, (stiff bristles - natural or synthetic, do not have to be expensive)

Gamblin Gamsol **paint thinner**

Disposable paper **palette** 12 x 16"

Painting surfaces: canvases and rough watercolor paper sheets - not smaller than 16 x 20, larger is better (more space to work and learn)

Glass jar with lid for storing paint thinner and plastic containers for rinsing brushes (larger yogurt containers or sour cream type)

Questions? vfortev@aol.com

(Additional paint will be supplied for you experimentation and use

Materials will be available for the first class and will be discussed)
