Paper plates

Small zip lock bags

20pcs. 9x12 for painting exercise **ARCHES** oil paper .

Comes in 9 x 12 pads.

Taped with painters tape (trick: lay tape on your jeans to remove some the stickness so when you pull it up it won't pull pape)

with one inch border around and then in half. See photos

## Supports

Ampersand Encaustic Board, Ampersand Gesso board or birch panels prepared for oil: gessoed **NO ampersand value boards**, rather you gesso your own boards with several sanded layers

**8-12 for five day**

**5-8 for 3 day**

Instructor recommends the panels being the same size. Arches oil paper is excellent and an easy solution if traveling.

All boards/paper should be the same size preferably square and no larger than 20 x 20

Oil Paint: large tube of Titanium white and plus a variety of colors: Choose colors that you like to paint with. I like Gamblin, Williamsburg paints. Small tubes are fine. look for combination of transparent and opaque choices.

16 oz GAMBLIN cold wax medium...Jerry's, Dick Blinks

several brushes(cheap are fine) for oil paint various sizes a couple of palette knives, scrapers, silicone bowl scraper (amazon) SEVERAL soft rubber brayers speedball 4 inch, 6 inch

paper palette 12" x 16" at least

**I Messermeister Silicone Bowl Scraper, Blue from Amazon**

larger shower squeegee,

Drawing materials- one large graphite stick, 1 eraser

rags or paper towels

blue painters tape

wax paper for layering between wet panels

cardboard (pizza boxes) for transporting wet work home
